

House Rules

It is our goal at Clover Hill to have the best behaved wine customers on the planet. Wine has a tendency to make things better, funnier, more carefree, and happier (as it should be) but too much can have the opposite effect. We've put together a few rules (don't worry, they're not too bad) to help you and the customers around you at Clover Hill have the best wine experience ever!

We have a 5 taste limit

Tasting is complimentary in our tasting room but you'll only get five!

No Outside Alcohol

Beer, mixed drinks, and competitor's wines have a time and place, just not at Clover Hill.

Wine by the Glass

Sorry, no open bottles are permitted on our premise. Enjoy wine by the glass on the patio.

Still Wines \$5/glass

Sparkling Wines \$7/glass

\$3.50 refundable deposit on each glass and cheese board.

Please clean up after yourselves

--Duh!

No Smoking

That's right; Clover Hill is a non-smoking campus! Smoking can inhibit your sense of smell and taste as well as those around you, plus our grapes like to breathe clean air as well!

Romancing

Everyone knows wine makes everything more romantic, just please keep the romance to a "G" rating!

Supervise your kids

Both in the tasting room and on the patio - Thanks!

No Pets

We all love animals (we own a few critters ourselves) but they are not permitted in the building or on the grounds.

Enjoy the View

But please no blankets on the grass and no wandering through the vineyard.

No Sports

Everyone loves to toss around the pigskin or zip the frisbee, just please save these types of activities for the park.

No Outside Music

We piped in some great background music for you to enjoy on our patio, please save your own tunes for your house!

And Most Importantly

If you show up intoxicated; you will be told to leave.

Please be respectful of our rules and property and be kind and courteous to your neighbors. If we see something not in keeping with our family business and our home we will ask you to stop. Thanks in advance for respecting our rules and our property and we hope you have a great experience at our facility!
